PROFESSIONAL PROFILE

Dedicated student specializing in software engineering, database design, and object-oriented programming. Proven ability to build complex systems (Search Engines, REST APIs, GUIs) and analyze large datasets. Passionate about engineering innovation and continuous professional growth.

EDUCATION

B.Sc. in Information Engineering

HAW Hamburg

Aug 2022 – Present

Hamburg, DE

- **Focus:** Software Engineering, Databases, Programming Methodology.
- **Project: Search Engine Engineering (Java/REST)**
 - Architected a search engine system including SRS creation and UML modeling.
 - Implemented Design Patterns (Strategy, Composite) and refactored legacy code.
 - Developed a RESTful API to expose search resources, validated via Postman.
- **Project: Interactive GUI Application (Java)**
 - Engineered a graphical application applying core OOP principles and UML domain modeling.
 - Implemented the State design pattern and action listeners to manage dynamic user interactions.
- **Project: StackOverflow DB Clone (SQL)**
 - Designed a normalized relational database (3NF) for complex user interactions.
 - Implemented data integrity checks using SQL triggers and analyzed flight datasets.

Mechanical Engineering (Erasmus)

Kiel University of Applied Sciences

Sep 2021 – July 2022

Kiel, DE

- Completed coursework in Structural Design and Project Management.

Mechanical Engineering

Yildiz Technical University

Aug 2019 – July 2022

Istanbul, TR

- Focused on core mechanical engineering principles and CAD design.

PROFESSIONAL EXPERIENCE

Founder

International Speaking Club

Aug 2021 – 2023

Remote

- Established and managed a remote English-speaking club during the pandemic.
- Moderated daily Zoom conversations and managed online promotion.

Project Team Representative

Yildiz Technical University Business Club

Sep 2020 – June 2021

Istanbul, TR

- Coordinated events connecting students with the business community.

SKILLS & ADDITIONAL INFORMATION

Technical Skills

 Java & SQL (Adv.)
 Python, C
 UML, Git, Eclipse
 GenAI (Gemini, ChatGPT)
 Google Workspace

Languages

Turkish: Native
English: C1 (Fluent)
German: B2 (Fluent)

Interests

 Music Production
 Table Tennis
 Gardening
 Volunteering

Hamburg, February 19, 2026
